Make an Impact Beyond the Walk

Every participant/company that participates will have the opportunity to make a difference by donating to **Room to Read**, a global nonprofit dedicated to providing education, literacy and gender equality to at-risk girls across the globe. This year we have an audacious **goal to raise \$25,000 to support an entire school!** Room to Read is a 501(c)(3) organization. We encourage individuals and companies to donate. Together, we can create lasting change.
